RESPONSE UNDER 37 CFR 1.111

Dear Sir:

In response to the Office Action of May 13, 2004, please amend this application as follows:

In the Specification:

At page 8, line 17, insert "09/747,613" in the blank space following "Patent Application Serial No."

In the claims:

1. (currently amended) A data storage device for use in a power integrated network, the data storage device comprising:
- a memory configured to store data;
 - a control module coupled to the memory, the control module for controlling the transmission of data from the memory to the power integrated network and the storage of data received from the power integrated network in the memory; and
 - a power module coupled to the memory and the control module, the power module receiving power from the power integrated network to energize the data storage device, wherein
